

CITY OF FORT LAUDERDALE

MONTHLY FINANCIAL REPORT FOR JULY 2005

Exhibit 2 05-0881

Prepared by the Finance Department and the Office of Management and Budget

The following report provides an update on the City of Fort Lauderdale's financial condition. The data and figures presented below reflect information as of the month ending July 31, 2005. More detailed revenue and expenditure schedules are attached for review, which include amounts accrued from FY2004.

General Fund Revenues

- Overall, 84.89% of budgeted annual revenue has been received.
- 100.65% of Property Taxes have been collected verses 99.69% collected during the same time period last year. Based on the Value Adjustment Board Analysis using the Final 2004 Tax Roll received from the Broward County Property Appraiser, we are projected to receive an additional \$900,000 over the current year budget. This is primarily due to less than anticipated revenue adjustments for discounts, errors and omissions.
- Communication Tax receipts are projected to be \$2.0 million under budget and will continue to be monitored for the remainder of the fiscal year.

General Fund Expenditures

- Building, Business Enterprises, Fire and, Police Departments' overtime is considerably higher due to vacancies and the necessity to have continuity of services. However, the departments have indicated salary savings are available to cover the overtime expenses in excess of the budget.
